About *Candlelight*

Our brand is dedicated to bring the best of the natural essences to the comodity of your home. We believe that all of our natural products provide benefits to yourself, and it adds a personal touch to each of your spaces. With Candlelight, you add brightness to a room and transform it into a new place!

Candles

Expertly handcrafted using natural soy wax and the most irresistible fragrances.

Choose the perfect one!

Size

Our special collection of candles come in 3 different sizes ranging from small (3.7oz), medium (8.8oz), and large (11oz). Depending on the size the candles can burn up to 12 hours.

Fragrance

The fragrance in our candles are carefully selected and can make any room smell like a whole new place.

Self-expression

Transform an ambience of space and improve your mood with Candlelight candles. With a soft crack as it burns it provides relaxation and a unique touch to each room of your desire.

Resourced

All of our natural ingredients are sourced with care and respect making ensuring the safety of the environment.

Unique

Our glass and wood candles containers are 100% recyclable. Our wicks are hand selected and made with 100% natural fibers which ensures the best possible burn. Each of our candles are hand made and selected to ensure their quality before it arrives to the comfort of your house.

ITM #35 | \$3.45

What makes them special?

Benefits

Our essential oils have positive effects on health, from feeling better, to a mood boost.

Natural Oils

All of our essential oils are naturally sourced, and hand picked from each place. Our purpose is to deliver the entire benefits that the plant attribute and bring it to the commodity of your own house.

Multiple Uses

Our essential oils can be used as aromatherapy, or they can be used as a topical depending on your needs. Each of our essential oils has a unique use that will fit your needs.

Best Match

All of our essential oil blends are made for the needs of each person. Each provides different ingredients for different results.

Our Top Collections

Each of our products undergoes heavy supervision by our professional teams to ensure that our hand picked products make your room the place you want.

ITM #30 | \$5.68

“

"One of my all-time favourites! I absolutely love this new scent. I am going to buy more. I don't think anyone would be disappointed."

-Emily Smith

”

What makes them special?

Wax Melts

Made out of soy wax to provide the most enhanced scent.

Benefits

Our wax melts are able to enhance a room with just a few minutes of use. They can be changed easily, and they do not require a flame like candles do.

Multiple Uses

Our wax melts can be used as needed to achieve the strength desired.

One can last up to 8 hours, but for a stronger smell or a bigger room it is recommended to use two wax melts.
